## Profile

I'm a passionate Flutter Developer with a strong focus on **UI/UX design**, creating clean, modern, and visually appealing app interfaces. I build high-performance, responsive mobile apps with smooth user flows and seamless API integration. Skilled in Firebase, Git, VS Code, and Android Studio, I combine technical development with design thinking to create apps that are both **beautiful and aligned with real market needs**.

## Education

**MASTERS OF SCIENCE IN INFORMATION TECHNOLOGY | 2026 | LJ UNIVERSITY , AHMEDABAD**

**BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY | 2024 | LJ UNIVERSITY, AHMEDABAD**
